

Drones and the Future of Food

Join us for this free event, featuring an overview of how the Unmanned Aerial Systems industry is impacting agriculture in Oklahoma. Sessions will include industry trends, regulatory requirements, and a panel discussing how to start a UAS business.

Lunch will be provided, and registration is required.

WHEN

Tuesday, April 24, 2018, from 8:30 a.m.-1:30 p.m.

WHERE

Nick Benson Ballroom, Central National Bank Center
301 S. Independence
Enid, OK 73701
